CCCD set to resume toll operations this weekend

New Orleans, LA – The Department of Transportation and Development (DOTD) announces that its Crescent City Connection Division (CCCD) is set to resume toll operations at the Crescent City Connection Bridge. Tolls will go into effect at 10 a.m., Saturday morning.

The tolls had been suspended by DOTD to facilitate evacuation, emergency and protective services once it was determined that Hurricane Isaac would pose a significant threat to the Greater New Orleans area.

Tolls at the La. 1 Expressway are still suspended. DOTD will notify the traveling public when tolling services resume there.

The Louisiana Department of Transportation and Development (DOTD) is committed to delivering transportation and public works systems that enhance the quality of life. In addition to more than 16,600 miles of roadway, including over 890 miles of interstate, DOTD supports the development of the state's aviation, marine and rail infrastructures. Through this work, we are able to facilitate economic development, create job opportunities, improve vital evacuation routes, and make critical freight corridors safer and more efficient.
